Meet Derpy!

THINGS YOU CAN DO WITH DERPY:

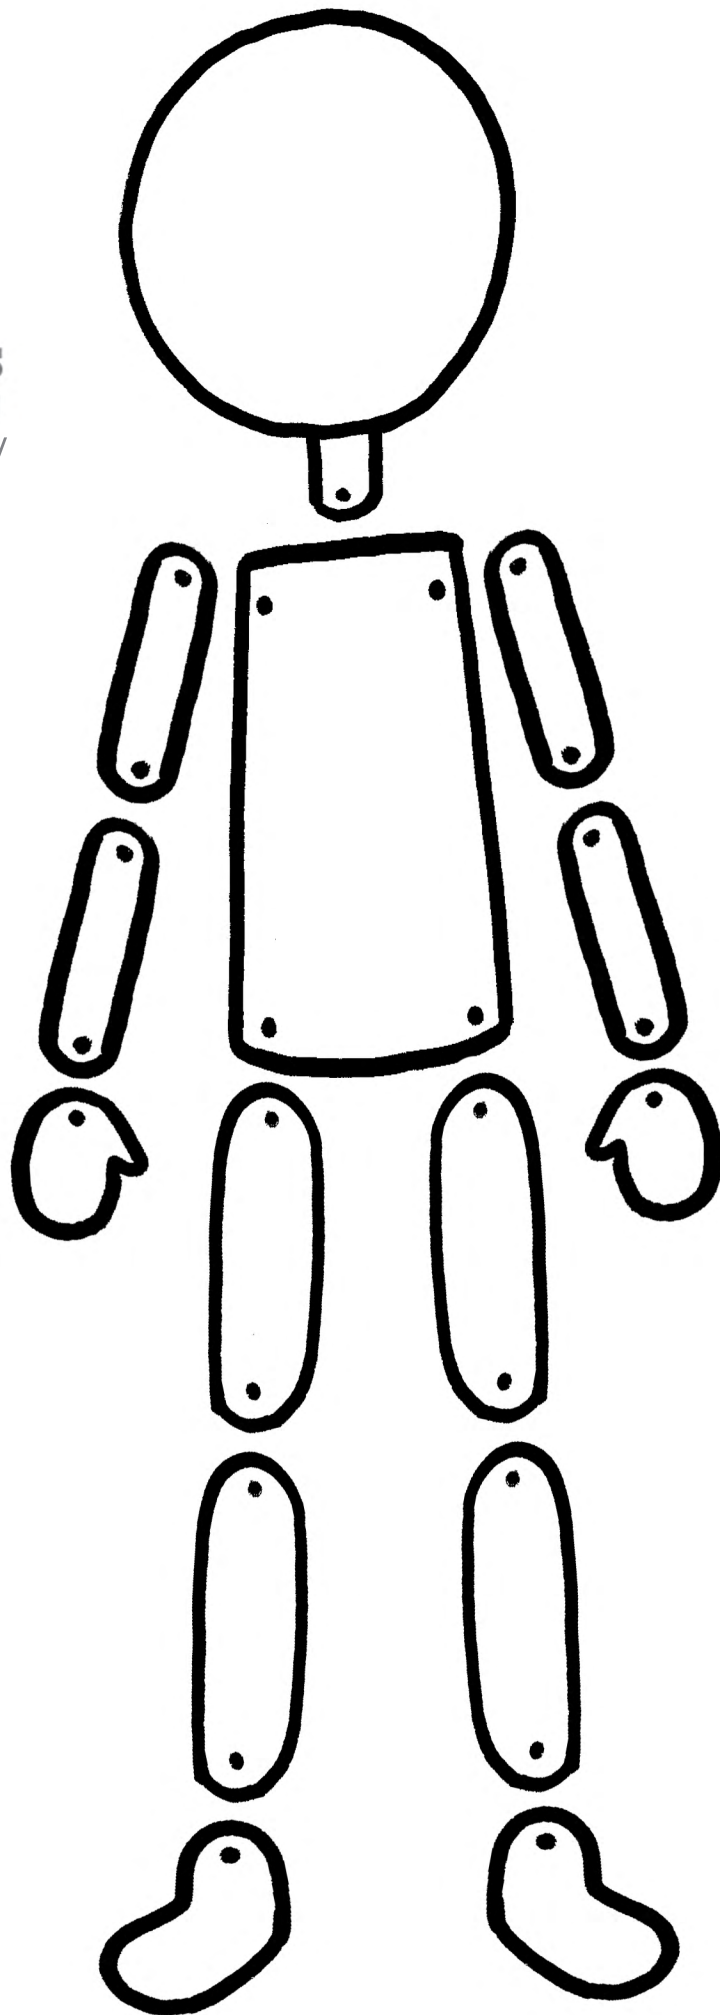

1. PRINT DERPY MANY TIMES AND PRACTICE SHADING WITH THE HIGHLIGHT/SHADOW REPRESENTATION METHOD WE TALKED ABOUT IN LESSON 2.

2. PRINT DERPY OUT, CUT OUT THE PIECES AND REARRANGE FOR DIFFERENT SHADING TESTING.

3. PRINT/TRACE DERPY OUT ON A TRANSPARENCY/ACETATE AND USE HIM LIKE THE LIGHT GUIDE.

4. PRINT/TRACE DERPY OUT ON A TRANSPARENCY/ACETATE THEN ASSEMBLE HIM WITH BRAD JOINTS. HE CAN THEN MIMIC THE POSE OF MOST OTHER IMAGES BUT IS REUSEABLE

DERPY IS PRETTY SPECIAL.
